EXTANG RELEASES THE ALL-NEW SOLID FOLD 2.0 UTV EDITION – A BED BOX COVER FOR THE POLARIS RANGER

ANN ARBOR, MI, August 23, 2018– Extang Corp., a Truck Hero company, released their newest premium cover, the Solid Fold 2.0 UTV Edition made for the 2013-2018 Polaris RANGER.® The Solid Fold 2.0 UTV Edition is Extang’s hard, tri-folding truck bed cover reimagined to enhance an adventurous, off-road lifestyle.

Two EnduraShield panels that resist denting, scratching and UV-induced fading form the core of the Solid Fold 2.0 UTV Edition. This cover incorporates a new articulating front hinge that allows for full bed access and SpeedKlamps that lock the cover in place, adding strength and stability on any off-road terrain.

The Solid Fold 2.0 UTV Edition is lockable in three different folding position, even while being driven, delivering ultimate versatility without impeding rearview vision. This bed box cover comes standard with exterior tie-down cleats and straps allowing for optimum cargo hauling capacity below and above the cover. The UTV Edition comes standard with exclusive brackets that use the Polaris Lock & Ride® making installation an easy, no-drill process.
