N-FAB DEBUTS THE EPYX, A STEP SYSTEM FEATURING A MODERN, ANGULAR DESIGN AND FULL STEEL CONSTRUCTION

HOUSTON, TX, October 22, 2018– N-FAB, Inc., a Truck Hero company, recently debuted the EpYx, a step system featuring a modern angular design and full steel construction.

This step's modern angular design fits tight to the body, for a clean look, while protecting the vehicles exterior. Full steel construction of this system ensures strength and durability. The EpYx has a drop down step at each door, engineered with an expanded step plate for ease of access to stock or lifted vehicles.

Installation of this step system is easy with new modular brackets that allow simple adjustment to achieve the perfect fit. The EpYx is available in cab length configuration with an attractive textured black powder coat finish.

N-FAB step systems are backed by a 5-year finish and limited lifetime workmanship warranty. *See warranty for full details.*

See below for applicable applications and part numbers.
